# Pavan Singh

Transforming Data into Insights for Informed Decision-Making

## Profile

I am a motivated and detail-oriented individual with a Bachelor of Science in Computer Science, eager to pursue a career as a Data Analyst. With experience as a Data Science Intern, I have honed my skills in Python, PowerBI, Excel, R tool, HTML, CSS, Data Visualization, Data Analysis, SQL, Critical Thinking, Database Management, Microsoft Office, Manual Testing, Automatic Testing, and Logic Building. I am passionate about leveraging data to drive informed business decisions and thrive in a fast-paced, analytical environment.

## Education

- Bachelor of Science(Computer Science)**

Jun 2021 - May 2024

University of Mumbai, Vasai

Recent Bachelor of Science in Computer Science graduate with a strong foundation in programming, software engineering, and data analysis. Proficient in various programming languages and technologies, with hands-on experience through academic projects and internships. Achieved a CGPA of 8.23 throughout the course. Skilled in problem-solving, algorithm design, and developing innovative solutions. Adept at working both in team environments and independently. Seeking to leverage technical expertise and analytical skills in a dynamic and challenging role within software development, IT, or data analysis.
- Higher Secondary Certificate**

Jun 2020 - May 2021

Reckon Public Academy, Nalasopara East
- Secondary School Certificate**

Jun 2018 - Jul 2019

Iris International School, Nalasopara East

## Employment
